**POWERFUL SUCTION.
FAST CLEANING.
ULTIMATE SIMPLICITY.**

The Xtreme is designed to clean and scrub residential In-Ground Pools of all sizes and surfaces. The Xtreme moves through the water to automatically brush, vacuum and micro-filter dirt, debris and contaminants from the pool. The focus is on the pool floor and basin where most debris settles.

The Xtreme is equipped with dual PVC scrubbing brushes to help loosen stubborn dirt and debris. The G-Tooth™ drive track design helps protect the cleaner from excessive rubbing against the pool sides.

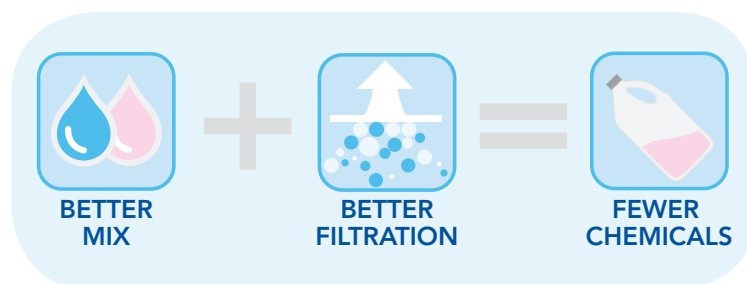

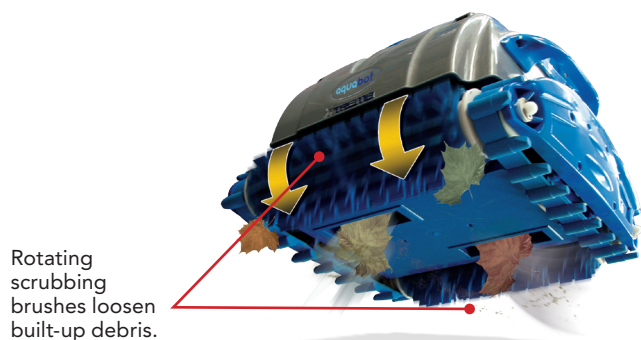

Additionally, the Xtreme is also compatible with the use of External Timers! (*External Timer not included)
